SEPTIC SYSTEM ABANDONMENT APPLICATION

I, _____ hereby apply to the Framingham Board of Health for approval of the abandonment of the existing sewage disposal system at _____, Framingham, MA in order to:

- () Connect to the Municipal Sanitary Sewer
- () Construct a new onsite individual sewage disposal system
- () Other (please explain in the space provided below)

If this property is being connected to a private or municipal sanitary sewer system, a copy of the sewer connection must be submitted with this application.

In order to properly abandon the existing sewage disposal system, the septic tank shall be pumped of its entire contents by a licensed septic/sewage hauler and:

- Shall be excavated and removed from the site
- The bottom of the tank shall be opened or ruptured after being pumped of its contents so as to prevent retainage of water and the tank shall be completely filled with clean sand or other suitable material approved in writing by the Board of Health

A copy of the septic/sewage hauler pump report for this site must be submitted to the Framingham Board of Health.

Once the system has been abandoned, no further use of the system for any purpose is allowed.

Applicant's Signature

Date

Please be advised that proper abandonment of the septic tank or cesspool must be witnessed by the Framingham Board of Health. Please provide the Board of Health with **two days' advance notice** of the date and time when the abandonment will occur so that the required inspection may take place.
